

## From the Principal's Desk:

Dear HSCS Families,

As the weather begins to change, there are a few things that I would ask all parents to keep in mind.

First, please dress your students appropriately for the weather - cool mornings and warm afternoons. As much as we can, we want our students to be outside for recess and PE classes before winter hits us and we are forced to come inside.

Second, with our weather changes we are starting to see a rise in sickness. Our protocol is the following: 1. Please call the office to let us know of your students' absence (leave a message if no one answers), 2. Please keep students home until they are fever or symptom free for 24 hours without medication, and 3. If your student is COVID positive, they must stay home 5 full days and may return to school on the 6th day wearing a mask for 5 additional days as long as they are fever free and their symptoms have not worsened. It is very important that we follow these protocols as we want to protect our students and staff.

Thank you!
