

From the Principal's Desk:

Dear HSCS Families,

We are in the final days before our biggest fundraiser of the year! Gala: Where education is guided by the Spirit will be held on Friday, November 10th 6PM at The Newberry. Thank you to all of our sponsors, parents who donated items and all of our volunteers for helping us make this a night to remember! As we gear up on the upcoming holidays, please stay tuned to the Weekly Announcements for all the activities that we have scheduled, as you do not want to miss out!

Next Thursday, November 16th we will be our annual Cat/Griz Gear Day! We encourage all students and staff to dress in their best FANatic Cat or Griz gear! This annual tradition goes along with our Can Food Drive. We will be collecting non-perishable food until the end of the month. Students can put their food in either the Cats or the Griz bin, and all food collected will be donated to the Great Falls Community Food Bank.

Many Blessings ~
Melissa Hallahan

Reflection of the week

Thus says the Lord, your Creator, O Jacob, and He who formed you, O Israel, "Do not fear, for I have redeemed you; I have called you by name; you are Mine!"

Isaiah 43:1

There is One who is always working on your behalf. You may not see what He's up to, but you can know He's in your favor.

4-H Informational Meeting

November 8th 5:30 pm

HSCS Gym

MSU Extension Agent

Montana 4-H is the youth development program of Montana State University Extension. 4-H is the largest, out-of-school youth development program in the state, reaching nearly 20,000 youth in all 56 counties each year. In 4-H, if you can dream it, you can do it!

Sarah Holtzmann and Sandi Welsh are interested in forming our own 4-H club. We are looking to focus on just a few projects of baby sitting, cooking/baking, and gardening (4-H offers more than 200 different projects). As we grow, we anticipate doing other projects. These projects will provide learning experiences that actively engage youth while having fun.

Who can join?

4-H members are youth ages 8-18 by Oct. 1 of the current 4-H year.

4-H focuses on developing youth by using their thinking skills, sharing their heart experiences, helping their communities through service, and using their health to make themselves and their communities better.
